

Make City Cycling Safe. Build the CBD Protected bike grid

A network of connected, safe, and protected separated bikeways will enable anyone between the ages of 8 to 80 to safely ride a bicycle within the Brisbane CBD

Fold 1

Dear Lord Mayor

Please make city cycle safe and enjoyable. A grid of protected bike lanes in the CBD will allow people on bicycles to get where they want to go without feeling intimidated by motorised traffic.

Brisbane needs a balance in the transport options available in our CBD. Please build the Brisbane CBD protected bike grid

Sincerely
